

YOUTH REBUILDERS

Our vision. Our future.

WHAT IS YOUTH REBUILDERS? Youth Rebuilders is a summer experience that equips Native youth with nation building training and inspires them to share their visions for the future. We'll meet the selected Youth Rebuilders in their own community and provide them with three days of fun, interactive programming.

WHY YOUTH REBUILDERS? Youth Rebuilders grew out of the Native Nation Rebuilders Program as a way to develop the next generation of Native leaders.

WHO IS ELIGIBLE TO APPLY? Interested youth should apply as a Tribal group; we'll admit up to 20 participants from a single Tribal youth council/youth group. Participants must be in grades 8-12.

HOW DOES THE APPLICATION PROCESS WORK?

Apply using our online application at nativegov.org. Applications open March 19, 2018 and close on April 30, 2018. Contact jayme@nativegov.org with questions.
